

My amendment is necessary to ensure reasonable and regular public access can be guaranteed by law to the citizens of that area. This language is supported by many stakeholders in the local area including the Benton County Commissioners, the Tri-Cities Development Council (TRIDEC), the Tri-City Regional Chamber of Commerce, the Tri-Cities Visitor and Convention Bureau, and the Back Country Horsemen of Washington.

I would also note that this amendment has passed this chamber previously as stand-alone legislation. Last year, and in the previous Congress, this body approved this language on strong bipartisan votes with no votes in opposition.

I appreciate the Chairman and Ranking Member of the Armed Services Committee and their staff for allowing this amendment to be adopted en bloc today. Hopefully, this will move us closer to ensuring the American people have access to special places on their public lands, like Rattlesnake Mountain.

The Acting CHAIR. The question is on the amendments en bloc, as modified, offered by the gentleman from California (Mr. McKEON).

The en bloc amendments, as modified, were agreed to.

Mr. McKEON. Mr. Chairman, I move that the Committee do now rise.

The motion was agreed to.

Accordingly, the Committee rose; and the Speaker pro tempore (Mr. PERRY) having assumed the chair, Ms. FOXX, Acting Chair of the Committee of the Whole House on the state of the Union, reported that that Committee, having had under consideration the bill (H.R. 4435) to authorize appropriations for fiscal year 2015 for military activities of the Department of Defense and for military construction, to prescribe military personnel strengths for such fiscal year, and for other purposes, had come to no resolution thereon.

Ms. FOXX. Mr. Speaker, I ask unanimous consent that when the House adjourns today, it adjourn to meet at 9 a.m. tomorrow.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from North Carolina?

There was no objection.

(Mr. FORTENBERRY asked and was given permission to address the House for 1 minute.)

Mr. FORTENBERRY. Mr. Speaker, we just heard an extensive debate about the future of America's defense policy. I want to commend the chairman for including an important amendment that I offered that does address a serious, serious issue.

It is very hard to react to something that has not happened yet. Frankly, we are in a race between collaboration or catastrophe in regards to nuclear security and the threat of nuclear proliferation around the world. This technology is spreading very, very rapidly.

With the Department's effort at cost savings and reorganization, it is impor-

tant that our nonproliferation efforts not slip, not become a second priority. It may be easy to do that because, again, when things don't happen, it appears that we are secure. This is one of the most grave difficulties facing not only the United States, but all of humanity.

So I am very grateful that in this bill we now have an effort to demand that the Department explain its important reorganization efforts and how it is going to address the future of nonproliferation issues as we work toward nuclear security, robust force strength, and deterrence. Nonproliferation goes hand-in-hand with those important national security elements.

By unanimous consent, leave of absence was granted to:

Mr. HUELSKAMP (at the request of Mr. CANTOR) for today on account of attending a family obligation.

Ms. SLAUGHTER (at the request of Ms. PELOSI) for today and the balance of the week on account of a death in the family.

Karen L. Haas, Clerk of the House, reported and found truly enrolled bills of the House of the following titles, which were thereupon signed by the Speaker:

H.R. 1209. An act to award a Congressional Gold Medal to the World War II members of the "Doolittle Tokyo Raiders", for outstanding heroism, valor, skill, and service to the United States in conducting the bombings of Tokyo.

H.R. 685. An act to award a Congressional Gold Medal to the American Fighter Aces, collectively, in recognition of their heroic military service and defense of our country's freedom throughout the history of aviation warfare.

The Speaker announced his signature to an enrolled bill of the Senate of the following title:

S. 309. An act to award a Congressional Gold Medal to the World War II members of the Civil Air Patrol.

Karen L. Haas, Clerk of the House, reported that on May 21, 2014, she presented to the President of the United States, for his approval, the following bill:

H.R. 685. American Fighter Aces Congressional Gold Medal Act To award a Congressional Gold Medal to the American Fighter Aces, collectively, in recognition of their heroic military service and defense of our country's freedom throughout the history of aviation warfare.

Mr. FORTENBERRY. Mr. Speaker, I move that the House do now adjourn.
